

# **Charging policy for Venn Academy Trust**

**Date policy reviewed: April 2016**

**Date approved by the Governing body: November 2016**

**VERSION V1.0**

## **Introduction**

All the education we provide during normal school hours is at no charge to pupils. We do not charge for any activity undertaken as part of the National Curriculum.

## **Aims and Objectives**

The purpose of this policy is to:

- set out what the school will not charge for, what it will make a charge for or request a voluntary contribution from parents/carers;
- clarify how charges will be determined, so parents and carers understand why requests for payment are sometimes made for some activities.

## **Voluntary contributions**

When organising school trips or visits to enrich the curriculum and the educational experience of the children, the school invites parents and carers to contribute to the cost. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents or carers have not paid any contribution. We do not treat these children differently from any others.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents and carers have a right to know how each trip is funded, and the school provides this information on request.

The following is a list of additional activities, organised by the school, which may require voluntary contributions from parents and carers. These activities are known as “optional extras”. This list is not exhaustive:

- visits to museums;
- fieldtrips and research visits;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to or by a theatre company;
- musical events.

## **Residential visits**

If the school organises a residential visit in school time, or mainly in school time, which is to provide education directly related to the National Curriculum we will request a voluntary contribution to cover the costs of board and lodging.
